The A'van Advantage
Less Maintenance !
Easy to clean !
Greater impact resistance !
Superior dent resistance !
Higher Insulation Properties !

EVERY A'van Poptop/Hardtop carries more features than any other. Such a vast range of quality appointments maximize comfort and versatility for our customers. Simply put, value is a standard, not an option. The A'van Poptop/Hardtop you inspect will be the most complete standard van in its class.

Greater freedom to enjoy the great outdoors is here. The New Generation A'van Poptop range brings a world of features to your caravanning journeys, allowing you to spend less, enjoy more!

The A'van Advantage

A'van's *Super-Strength Smooth Panel Construction* delivers superior strength without weight, meaning better fuel economy when travelling. Every A'van Poptop and Hardtop features double-glazed and tinted windows, combined with all-round insulation to maximize your living comfort in all climate conditions. Our unique anti-jam blind & flyscreen system and two piece entry door with retracting screen give you greater ventilation than any other Poptop.

What's more, our heavy duty battery pack AND charger allows extended camping in remote places *without* the need for external power! With hot water service and electric water pump, along with so many other quality standard features, the A'van Poptop/Hardtop Series is your invitation to genuine Five Star Affordable Travel.

ENJOY THE FREEDOM!

AVAN ADVENTURE PACK RANGE

The ADVENTURE PACK Range

Want to see more of Australia? After all, that's why you're buying a recreational vehicle. - but you want comfort too!
With the increased strength and road clearance of our new ADVENTURE PACK range you can do just that!

Travel with confidence as you get off the beaten track on to the unsealed roads and see the true beauty that this majestic land has to offer while enjoying all the comfort and luxury you've come to expect from all AVAN units.

The ADVENTURE PACK sure adds toughness to our range.
BUT REMEMBER - CARE IS NEEDED ON YOUR PART.
If it's a bush track most likely it won't be suitable. Leave the van back at base and "go it alone" in the 4WD.

The ADVENTURE PACK range boasts all the features you've come to expect from the AVAN range and is available for all Campers, Poptops, Hardtops and Eurostars. Added features include:

- More Ground Clearance
- Bigger Chassis
- 15" Wheels & Tyres
- Modified Suspension
- Extra Step
- Bigger Jockey Wheel
- Drop-down Stabilizers

Talk to your local Dealer for more details and prices.

THE RAY - SLIDEOUT SERIES

Featuring our unique fully-insulated solid wall extension, the A'van Slideout range of Pop-Tops offers greater versatility and comfort than its imitations. Thanks to A'van's *Super-Strength Smooth Panel Construction*, our patented slideout rear double bedroom has superior insulation and security when compared with our competitors' canvas-based models.

The A'van Slideout is compact and lightweight, so it is easy to tow with most medium size cars. Of course, the Slideout is also an exceptional fuel saver.

Setup is delightfully simple. The Slideout's rear door lifts up with the assistance of heavy duty gas struts and the back wall slides smoothly outwards, locking securely into place. Inside, the double mattress folds down onto a solid base. Within seconds, an entire bedroom with large double-glazed window is complete.

SLIDEOUT SERIES

The A'van Slideout also features a generous living area because, even with the extension closed, no bed space is taken from the basic floor area. In more ways than one, the Slideout extends the boundaries for RV travel.

Around Australia

AUSTRALIAN INNOVATION, EUROPEAN STYLING

Centurion Chassis

Unique to A'van the *Centurion Chassis* offers superior support when compared with all others. Hot dipped galvanized steel ensures that your A'van will remain protected from corrosive elements that can fatigue other types of chassis without maintenance. Intelligent engineering design maximizes strength and resistance to torsion and compression via pressed hole cross-members, and allows better protection to electrical wiring running underneath your van. For your long-term peace of mind, choose the A'van *Centurion Chassis*.

Leading-Edge Euro Construction

A'van incorporates its own *Leading-Edge Euro Construction* process to the interior furniture of its vans. The enduring style of solid timber construction is enhanced by state of the art edge-banding technology, producing the most sophisticated and appealing living environment. Fine craftsmanship and superior technology ensures the A-Grade finish expected with A'van, while versatile day/night configuration allows you to enjoy greater comfort in your home on wheels.

Super-Strength Smooth Panel Construction

A'van has more experience than any other Australian RV manufacturer in sandwich panel wall construction. For more than 12 years, A'van has applied panel bonding methods to all of its vans. A'van's unique Super-Strength Smooth Panel Construction combines superior strength, insulation and exterior finish while our ply-reinforced aluminium outer skin ensures superior dent resistance.

Augmented Power Supply

Every A'van Poptop/Hardtop caravan features the most advanced electrical system giving maximum utility, wherever your adventures take you. Our top of the range AC Delco 95 Amp/hour battery pack and 18 Amp charger & power supply, including battery level indicator and water level indicator, give you peace of mind and confidence even in remote destinations.
